## A MESSAGE FROM THE PRESIDENT

*President Christian Tulio*

July 01 marks the beginning of a new biennium and brings in new leadership for Soroptimist International of the Americas Philippines Region (A Foundation), Inc.

I would like to express my thanks and gratitude to all past presidents and seasoned members for entrusting SI Guagua to me. There was hesitation, at first, but as I studied and learned more about what Soroptimist International is about, who it champions for and serves, I have warmed up to the role and I am excited to be its president for this biennium.

I would like to congratulate **Immediate Past President Divine Tulio** for leading without hesitation during her term as pandemic president. Women and girls continued to benefit from the projects she implemented for biennium 2020-2022.

To the new members, welcome Soroptimist sisters.

To the officers, board of directors, advisers and members, who have been the faces of charity and good work in Guagua, thank you for letting us in and, under your guidance, we will continue to work for and with you. You will be our guide, inspiration and source of knowledge.

I look forward to serving Guagua with all of you.

*Christian Tulio*
